

INTERVIEW SUMMARY

Applicants' attorney, Duane C. Basch (Reg. No. 34,545), and Examiner Wollschlager had a brief telephonic interview on December 23, 2008 at approximately 10:00 am.

Rejected independent claims 20 and 22 were discussed along with a proposed amendment in the nature of a limitation to be added to each. Applicants' attorney noted how such a limitation distinguishes the claims over the art of record, and the Examiner agreed to consider the limitation. No agreement as to claim allowance was reached, but the Examiner indicated an understanding of distinctions being presented by the amendments, and acknowledged that he would further review the amendments when presented in a response.

Applicants respectfully submit this summary for consideration by the Examiner and entry in the record for the instant application.
